2025 · nitrogen-packed

AVAILABLE
3,800 lbs

Very special outdoor CBG from a Nevada farm. Packed under nitrogen since harvest, so it has kept its quality: 11.6% total CBG, which is exceptional for CBG flower, and essentially THC-free. Freshly retested in October 2026 to confirm potency and purity. Passed the full panel (heavy metals, microbials, pesticides).
